

PETITION IN SUPPORT OF RBHRC RESOLUTION 022717

To: The Mayor and Council of the Borough of Red Bank, New Jersey

From: Members of the Greater Red Bank Women's Initiative

Date: March 17, 2017

The Greater Red Bank Women's Initiative urges the Borough of Red Bank's Mayor and Council to adopt RBHRC Resolution 022717 as an important demonstration of support for our fellow residents who have come to the United States of America from other countries. Their decision to make Red Bank their home should make us all proud to call them neighbors.

Through the work they do throughout this part of Monmouth County; through the children they are raising to respect our democratic institutions, especially our schools; through their many contributions to the culture, economy, and religious faith of the greater Red Bank area; through all these manifestations of "good citizenship," they remind us that each generation of immigrants enriches and expands the definition of the American Dream. They remind us that the immigrant experience is something in the DNA of each and every one of us. They remind us of the moral imperative to welcome and set a place for the stranger, not to build walls of separation and fear.

We believe that the adoption of RBHRC 022717 is an important first step in ensuring that all Red Bank residents, including those who are undocumented, continue to be treated with dignity and equal justice by the Red Bank Police Department, without the disruptive and unnecessary interference of federal authorities.

The Mayor and Borough Council have been presented with this unique opportunity of taking the lead in Monmouth County and placing this town we love in the forefront of the movement to protect immigrants, their rights, and their families. We expect nothing less from our elected officials.
